## Home Address

10809 S. Plahm Ct.  
Worth, IL 60482

(708) 228-8574

## Current Address

512 S. Third St. Apt. 418  
Champaign, IL 61820

## EDUCATION

---

**University of Illinois at Urbana-Champaign**  
*Bachelor of Science in Language Arts and Sciences*  
*With a concentration in Atmospheric Sciences*

- GPA (unweighted): 3.62/4.00

**Class of 2020**

## EXPERIENCE

---

**Anthropogenic Climate Change Effects on Melting Level Height Research** **August 2019-May 2020**  
*Capstone Research* *University of Illinois, Urbana, IL*

- Used CMIP5 model output to access future melting level height changes and its effects on surface hailfall
- Presented research at the American Meteorological Society Student Conference in January 2020

**AXIS Capital** **May 2018-Present**  
*Catastrophe Modeling Intern* *Champaign, IL*

- Generated detailed property loss models and uploaded loss results to a pricing platform
- Learned extensively about the insurance business and reinsurance programs

**National Oceanic & Atmospheric Administration Storm Report Project** **November 2018-August 2019**  
*AXIS Capital Project* *Champaign, IL*

- Analyzed Property Claim Services and storm report databases for AXIS Insurance Chief Actuary
- Tasked with determining the frequency, severity via property damage estimates, and trend of storm events by event type within state and county regions. The goal of the project was to identify areas most susceptible to specific severe weather events

**Alpha Epsilon Phi** **August 2016-March 2020**  
*Staff Coordinator* *Champaign, IL*

- Organized shift schedules and training sessions for new hires
- Assisted house chef by washing dishes, preparing food, and cleaning up

**The Beverly Country Club** **May 2013-Present**  
*Honor Caddie* *Beverly Hills, IL*

- Developed social working skills with professionals through golf
- Previously ranked in the top 10 for high school caddies
- Trained new caddies by developing their social and professional skills

## LEADERSHIP

---

**Camp Kesem** **August 2016-July 2020**  
*Executive Board and Development Coordinator* *YMCA Camp Benson, IL*

- Responsible for leading over 100 campers ages 6-17 whose parents have cancer
- Facilitated fundraising events as a three-year Development Coordinator
- Tasked with fundraising over \$80,000 annually to pay for camp expenses

**RELAMPAGO – CACTI** **November 2018**  
*Scientific Field Campaign* *Villa Carlos Paz, Córdoba, Argentina*

- Observed convective storms that produce high-impact weather in the lee of the Andes Mountains in Argentina
- Researched weather instrumentation and assisted in collecting atmospheric measurements

## HONORS

---

**Risk Management Academy** **January 2018-December 2018**

- One of two atmospheric sciences majors selected for exclusive Risk Management pilot program

**College of Liberal Arts and Sciences Dean's List** **January 2017/January 2018/July 2020**

- Awarded distinction for placing in top 20% of college students in terms of semester GPA

**Chick Evans Caddie Scholarship** **December 2015**

- Earned a full tuition and housing scholarship awarded to those who have a strong caddie record, excellent academics, demonstrated financial need, and outstanding character and leadership
